

How do I know what Battery to Order?

The 6volt Pet Stop battery will be labelled 6 volt and fits all Pet Stop receivers (oval, rectangular) except the Maxi Receiver which is square and takes a 7.5volt battery. The Square Maxi Receiver takes 7.5volt and 12 volt batteries, very few dogs are on the Maxi Receiver. Please call Mike at 404-536-6770 if you have lost your old battery or cannot figure out which Battery you need.
